## 3. Presentation at the Workshop

I will give a presentation at the workshop (approx. 10 min.) to present my institution, my expertise, and my collaboration interests. The contents of my presentations is summarised below (max. 1 page).

SAP Research is the research department of SAP, significantly contributing to SAP's product portfolio by identifying breakthrough innovation and conducting co-innovation with external partners and customers. SAP Research acts as SAP's IT trend scout, identifying emerging IT trends, researching and developing in strategically important SAP business areas, and leveraging entrepreneurial inventive talent.

SAP Research is conducting research and development on a diversity of IT topics focusing on those related to its five research programs:

- Business Process Management and Semantic Interoperability,
- Knowledge People and Interaction,
- Security & Trust,
- Smart Items,
- Software Engineering and Architectures.

**I agree with the publication of my data on the Workshop website!**
